**Old Business**
Shelly Hitchcox from Friends of the Library provided an update on the donation committee. Shelly shared the latest rendition from Vermont Trophy & Engraving of the plaque for the Gnaessin donation. The general consensus is that the current rendition is not quite hitting the mark. Possible revisions were discussed. Shelly will continue to work with Vermont Trophy to get it just right.

Memorial tree: Shelly is waiting to hear back from Bill Kaigle to discuss the idea for the Memorial Tree display.

Shelly is speaking with Seth Desceneau about the possibility of participating in an auction to search for a new Millie.

Shelly also showed a potential display case available for purchase on e-bay. This would not be for donations, this would be for library displays.

**Librarian Resignation Specifics**
Fran has a bank of 39 days of vacation left. The library budget was reviewed and a discussion ensued about how to compensate Fran for this time within the current budget, how to meet the staffing needs of the library between now and July 1 as well.
as going forward into the new space. Fran will be taking most of the month of June off as vacation days but will still be coming in to complete essential tasks. Trustees asked Fran to keep them updated regarding her vacation time as they would like to compensate her for as much time as possible. Fran does not want the Library budget to suffer in order for her to be compensated for the time. The trustees do not want Fran to leave without appropriate compensation for the vacation time she has earned.

**Meeting Room Reservation Process**
Discussion of the draft policy for reserving the new library community room. Edits were requested regarding the description of fiscal year, financial responsibility for damages, etc. Jen requested that Fran make the suggested edits and then email the edited document to the trustees for final review.

**Librarian Search Process**
Shelly asked what we are looking for in terms of experience. It was discussed that an ideal candidate would have a combination of experience, education and tech-savviness. Resumes were reviewed. Three candidates look like good prospects. Discussion about travel expenses for interviews, relocation issues.

**Community Hiring Committee**
No specific notes regarding this portion of the meeting.

**New Business**
Fran recommended that the trustees look at Kathy’s position and consider changing it from an hourly position to a salaried position. In her current role, Kathy has racked up a large bank of comp time that she is unlikely to ever use. It makes more sense for her position to be a salaried position. Trustees discussed.

**Next meeting**
The next meeting is scheduled for Tuesday, May 17, at 6:30 p.m.. Elizabeth will not be present, she will on a business trip. She will review resumes and provide comments to the trustees prior to the start of the meeting.

The meeting was adjourned at 8:40 p.m.
